** An annual fundraising goal is required in addition to the above cost. (Please see the following page)

Tuition costs on the registration form are for parents who wish to take full advantage of the cooperative philosophy by working in their child's classroom as a parent aide.

Non- Working Parent Fee: Those parents who choose not to work as a parent aide and wish not to be part of the cleaning rotation will be required to pay a non-working parent fee. The three day class fee is \$90.00 per semester and the two day class fee is \$60.00 per semester. Please note that due to the nature of a parent cooperative only a limited number of non-working parents can be accepted for each class. This will be determined on a first come first serve basis.

Fundraising Requirement: Little Lambs is a non-profit organization. Every dollar of income goes towards running the preschool. The actual costs per child are higher than tuition. Therefore, each family is required to earn \$180.00 in fundraising profit. Families may participate in any or all of the fundraisers. Parents may elect to pay the \$180.00 in lieu of fundraising. Please consult the preschool board if you have multiple children attending at the same time.

Parents with two or more children attending at the same time are only required to pay one registration fee.

Parents with three or more children attending at the same time receive a 10% discount on tuition.
