

LITTLE LAMBS PRESCHOOL WISH LIST

As we look forward to starting our new school year we have found that some of our equipment is tired and some supplies are low. We are hoping that you may be able to help.

We are always looking for items that can be used at Little Lambs. Your place of business, family or friends may have some items that are no longer needed. We are very creative at putting these items to use. Every little bit helps. Remember, there is a tax credit for donated items.

The items/supplies that we are in need of are listed below. However, don't let this list limit your imagination; we may be able to use it. Thank You

Copy Paper
